

Superior Breeding Genetics

9031, also born on the ranch, is a son of Driftroller, in which we hold semen ownership.

Matador Ranch is raising high quality bucks representing some of the finest genetics available. Pictured above are yearling bucks carrying some of the industry's top genetics.

9038, born on the ranch, is a son of the famous Refuge foundation sire, Texas Sam.

Featured Bucks

Slingblade • Texas Sam
Blade • Renegade
Cactus, Jr. • Bambi • Sawblade

Featured Does

Cactus, Jr. • Renegade • Sully
